Lakeland Special Large Leaf: *A large Leaf version of our signature blend, ideal for infusion teapots. Makes an enjoyable and refreshing brew, ideal for drinking anytime of the day. Brew with boiling water for 3-5 minutes* £1.70

Blue Lady: *A mild black tea specially blended with petals of mallow and marigold flowers and flavoured with grapefruit. Expect a light, smooth tea with a refreshing bright citrus flavour. It can be served with milk and/or sugar, but goes particularly well with lemon. Brew by adding boiling water to the loose tea leaves and infuse for 3 - 5 minutes* £1.90

Lung Ching Dragonwell (Green Tea): *Complex and multi-layered with an irresistible combination of sweet and smooth. A lovely large shiny loose-leaf tea, which leaves a fine bright yellow green liquor with a soft aroma and luxuriously rich taste. Brew using fresh boiled water at temperature of 80 degrees and infuse for 3-5 minutes* £2.20

Berry Cocktail: *A refreshing mix of elderberries, redcurrants, rose hips, hibiscus blossoms and apple, this tisane produces a ruby red, aromatic brew. With the flavour of ripe red berries, this medium-bodied brew can be enjoyed hot, or over ice.* £1.90

Pink Rose Buds: *Small but perfectly formed, these intensely fragrant and beautiful rosebuds release an almost euphoric aroma and flavour. When made in a glass tea pot, even the sight of the infusion is enough to calm a tired mind. Our whole rosebuds are hand-picked in the gardens of Morocco. Light, graceful and soothing notes of sweet-edged rose within a refreshingly light, leafy liquor. Perfumed, languid aftertaste. Infuse: 1 tbsp per cup in boiling water for 3 minutes* £2.70
